Dear Goey and Andru:

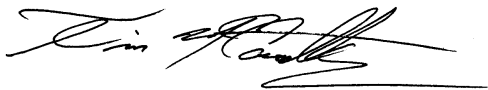

The Make-A-Wish Foundation® of Greater Ohio, Kentucky and Indiana would like to thank you for your generous contribution of \$3,200.00. Your contribution, received on June 30, 2009 will help to make heartfelt wishes come true for central Ohio children with life-threatening medical conditions.

Watching a smile stretch across a child's beaming face during a wish is a powerful inspiration for all of us at the Make-A-Wish Foundation. A wish renews the spirit of a child and family and offers hope for the future, strength for tomorrow and a joyful experience.

In anticipation of the wish, these children have the exciting opportunity to look towards the future. The wish process creates unforgettable memories for the child and family, who struggle daily with the realities of a serious medical condition. These memories are often a family's most precious gift, and your compassion makes it all possible.

As long as children continue to battle life-threatening medical conditions, the Make-A-Wish Foundation will be here making wishes come true. We thank you, Goey and Andru, again for your kind support and for helping to *share the power of a wish*®.

Warm regards,

Tim McCarthy
